more points and level up. As your level rises, you'll unlock new toppings in the store, and new customers will start visiting the pizzeria! A well-designed pizza also earns you tips that you can spend on upgrades and decorations for the lobby! NEW FOR PAPA'S PIZZERIA TO GO - Papa's Pizzeria To Go has been redesigned and reimagined for small screens, so your fingers don't go on the road to action! CONTROL WITH YOUR THUMBS - You'll switch stations using buttons in the corners of the screen, perfect for your thumbs. You can also use the buttons in the upper corners to quickly switch booking tickets and you can view your booking tickets in increased mode for easy reading. TOPPING STATION - We have completely redesigned Topping stations for small screens. Bins of toppings can be scrolled with the thumb, allowing us to have much more toppings than the original original Click on the bin to choose that topping and then click a few times on the pizza to add the items directly to the pizza. You don't need to drag individual toppings onto the pizza, so you can top faster than ever! A quick napkin on the pizza will send him to the station to bake. BAKE STATION - Papa Louie's coal furnace gets upgraded! You can buy new oven alarms in the store to help you keep track of the pizza in the oven. Just drag the alarm to one of the oven timers and you will hear a warning when this pizza is cooked just right. Buy new Oven accelerators to make pizza even faster than before! CUTTING STATION - When it's time to cut the pizza, just touch and drag the line across the pizza to decide where to cut. If you want even more control for fine-tuning slices, you can also cut with a few touches! Use two fingers or thumbs to move each end of the line at the same time, and release to slice the pizza. If you're having trouble cutting pizza at right angles, buy a different cutting guide in the store to cut that perfect piece! NEW INGREDIENTS - We've added a ton of new ingredients that can't be found in the original dad's pizzeria. As you play the game, you will unlock 26 unique ingredients to serve your customers! CUSTOMIZE YOUR LOBBY - You can spend your hard-earned tips in the store where you can find different posters, tables, decorations and wallpaper styles for your lobby! Use a brand new lobby tool to add items to your restaurant, and move and organize them as you like! Choose from more than 140 customization items, and every item you add to the lobby will improve your waiting score for your customers! UPDATE FEATURES - Serve picky closer at the end of the day, earn a salary as you play the game, and try to please the fastidious food critic to earn blue tape! GAME FEATURES - Practical Pizzeria in the Papa Louie Universe - All new controls and gameplay designed for small screens - Multitasking between stuffing, baking, and cutting - Shop to buy upgrades, furniture and posters using your tips in the game - New Lobby Editor to customize and decorate your store - 90 customers to unlock with unique orders - Complex Closers and Food to earn App ChangeLog Fixed problems with the launch of the game on some App Screens Apk scan results Apk Scaned by TotalVirus Antivirus.com. Flipline Studios Android 2.2 - Version: 1.0.2 \$0 Papa's Pizzeria To Go! - a fun and colorful game in which the user becomes a tireless employee of a popular pizzeria. In addition to the entrepreneurial spirit, business acumen, knowledge of marketing techniques, the player will need culinary talent. Employees of this family institution should have an unusual view of the business strategy to make this place truly successful and profitable. Papas Pizzeria Go is one of a kind in the restaurant modeling genre. You can download the Papas Pizzeria To Go APK game for free from our website. You can also like Papas Freezeria HD Android. Imagine yourself sitting in the airport lobby. There are a few hours left before the landing call. In these scenarios, it's so hard for us to kill our time. We often turn to movies, but not all of us are film lovers. There are some freak games as well. In this piece, we'll be targeting that part of the people who consider themselves game freaks. We'll talk about a game that can be the best choice to kill boredom. The game in question is Papas Pizzeria To Go, and it has all the ingredients to find a place in your device. The biggest positive of the game is its simple user interface and simple gameplay. The storyline of the game Papas Pizzeria To Go APK is quite simple. The user owns a pizzeria. He will serve his customers. In order to make the game harder with each level of passing, the difficulty will increase, making it very difficult to survive towards the end. Currently in the Google Play Store, there are a large number of restaurant simulation games available. But the feature of this special is its uniqueness and its continuous modification of its interface. The main problem of this particular genre is worth, after a certain period of the game seems very monotonous. Then people tend to fall off the wagon. The developers of the game made sure that Papas Pizzeria To Go does not suffer the same fate. You can also like Papas Hot Doggeria Go Android. Gameplay In the game the whole pizzeria is divided several sections. The first section that comes comes called Topping Station. Initially, each player is provided with simple and basic equipment that can handle a small size. As the level increases and the order is significant, players must use their earnings and upgrade stations. The modernization process extends to other stations, namely the bakery and cutting stations. As the level rises, each player discovers new and unique ingredients that give an advantage over rivals. In addition to the stations, there is another section called the lobby, which is a type of dining room. The place is also subject to renovation and modernization to entertain more visitors at a time. Since the goal of the game is to make more money by serving more people, the game becomes very challenging when one gets well versed in every aspect of Papas Pizzeria To Go. Verdict on the game: the game is quite easily available on the game store at a very modest price. The system requirement of the game is quite minimal, which makes it very easy to work on any device. The game has a group of dedicated developers who are always on their feet to correct any mistakes and glitches. The game comes with some in-game purchases as well. But, you can continue with the goals without any glitches, even if it does not make any purchases. Reviews of the game are quite positive. They make it one of the rising stars on the Android platform. You can also download the game from Google Play. (Payable version) How to download and install Papas Pizzeria To Go APK on Android for free Just follow these simple steps to install the game on your Android device: Click the download button below Wait until the file is downloaded and then open it Install Papas Pizzeria To Go APK file on your Android device Follow the instructions inside the Start and Enjoy the game Check box for - Allow installation from other sources than the Play Store in your Papas Pizzeria To Go settings - it's top, bake and serve pizza.
