The game was developed by EA Tiburon and was the first in the series to be developed for the Xbox and PlayStation 2. Contents Story The backstory for NBA Live 2003 is that the NBA Lockout is due to end, and the season is starting up again. Players are still at training camp, the regular season is approaching and the Playoffs are in full swing. In the meantime, John Stockton and Charles Barkley have become the Commissioner of the NBA and are trying to figure out how to get the players back on the court. Gameplay Changes from NBA Live 2002 There have been a lot of changes to the gameplay. Both shooting and dribbling have been heavily altered. All players can pick up and shoot the ball. The ball can also be picked up when driving

in the lane. There are also many new moves to add to the game. Various players can now pass to one another while a running player passes the ball. There are many more ball handling moves, all of which are controlled by the player and can be called. There are also new animations that can be accessed with L1. There are various shooting modes as well. The following table shows some of the changes from the previous game. General More realistic dribbling. It was even more realistic than the last one. The player can also stop and start the dribble. The ability to select the player holding the ball with L1. The ball can be picked up while diving through the lane. The ability to pick up the ball and pass to other players during a running play. It is possible to rebound the ball for yourself when you are off balance. The throwbacks have improved. All players can shoot from behind the three point line. It is possible to shoot while dribbling. Pickup controls have been slightly improved. Shooting controls have been slightly improved. Players can now flip the ball. The rules of the game have changed. A guard or a wing has to have a hand on the ball to initiate a fast break. Awards & Honors Bill Walton was given a "Spirit of the Game" award by the league and the Commissioner. NBA Legends Dawson, Kareem Abdul-Jabbar and Elgin Baylor were added as NBA Legends. When the Legends are selected, all three icons flash and they are presented with a Swish Guard (40 520fdb1ae7
