

LOVE INCORPORATED

1. Some years ago, there was a popular slogan that could be used for anything from sports, to hobbies, to favorite drinks: “_____ is life. The rest is just details”. How would you fill in that blank at different phases of your life?
2. What was God reminding his people about life in Deuteronomy 30:19-20? What three things is God wanting of his people in verse 20?
3. What comes to mind when you hear the word “worship”? Everyone worships something or someone. What are some of the things you see people worshipping in our culture?
4. What is central to our life is what we worship. What does the temptation of Satan to Jesus in Luke 4:4-8 assume of those who would worship him? What does Jesus response in verse 8 reveal about the greatness of God?
5. How can we guard ourselves against the worship of temporary things? How does James 1:22 help in making sure that our worship remain focused on God?
6. What happens in relationships when love is not nurtured? What happens in our relationship with God when we are not nurturing our love for him? Do you ever find yourself growing comfortable in your love of God to the point that you are not seeking to nurture it further? How would you encourage the person who is struggling with this issue right now?
7. For the follower of Jesus, our love of God is in response to his immense love for us. We do not love him so that he will love us. (1 John 4:9-10, 19). What difference does it make knowing that God’s love for us is not based on our personal performance? How does having a growing understanding of God’s unfathomable love for us impact our own love and worship?
8. What are some ways you would like to grow in your love of God? What is the next step to getting there?
