Song & Lyric

Sara Excellent, Lydia Irena, Lukas Guntur, Erwin Santoso, Jason Leonard

Verse 1

A E C#m B
Been dancing to another beat for so long
A E C#m B
And tripped my feet once, twice, so many times
A E C#m B
Been singing to another tune, forgetting
A E C#m B
That Your song is what lights me up

Verse 2

A E C#m B
Now I will see toward eternity
A E C#m B
For Your love is, one thing that's forever
A E C#m B
I hold on to Your everlasting love
A E C#m B
And I know God, You won't let go

Pre-Chorus

A B
You came into my heart
C#m E/G# A
Take me dancing to Your heartbeat
A B
You renew my whole life
C#m E/G# A
Make my heart dancing to Your song

Chorus

A E C#m B
I wanna sing Your song
A E C#m B
Sing to Your heartbeat
A E C#m B
Forever I'll follow
A E C#m B
To Your heartbeat
