While the U.S. government's Office of the Special Counsel has no power to indict, it can conduct investigations and refer the results to the Department of Justice for possible prosecution. The OSC — also known as the Special Counsel's Office — was created by President Richard Nixon in the 1970s and has been headed by Robert Mueller since May 17, 2017. Its power is unclear. The Justice Department has not applied OSC findings to the president. The OSC said in a report to Congress on its work on March 27, 2017, that it has investigated six areas of "potentially criminal wrongdoing by people connected to the administration of President Donald Trump and, when appropriate, made referrals to the Department of Justice for possible prosecution." That's a big if. The report doesn't say whether Trump's own lawyers reviewed the OSC reports and presented them to Trump. 520fdb1ae7
