Vice-President's Message

Cari Fratelli e Sorelle,

With the summer months now upon us, we have many ways to celebrate the warm weather outside. Bring friends to our Ristorante Italiano for a wonderful lunch on our patio. Get the family together for the annual picnic at Blackberry Farm, and enjoy some great company alongside the fun games and delicious barbecue. Also this month in our parking lot we'll be celebrating some automotive nostalgia at our Hot August Nights Car Show, Buffet and Dance. You'll see some beautiful cars while the oldies are playing, and you might even just find yourself in a hula hoop contest! If you're looking to escape the heat, we're still serving up our hot events like First Friday Dinner Dance and Cooking Demonstration.

You'll also notice the ballroom floor has been freshened up, as part of its maintenance. The dishwasher area has been updated with an exhaust fan, and the ballroom roof has a new layer of protection on it. We are continuously looking for ways to keep our events fresh and exciting. We also take feedback from the membership very seriously. If you have any ideas you'd like to express, please feel free to approach any of your directors or officers. Please understand your board of directors and officers are constantly working on the club, front and back of house, to offer the membership its benefits. I would like to thank all our members and guests for the support you give this club. It is a testament to our heritage and to the tenacity of the members that make it the successful social club that it is today, and that we strive for it to remain. Mille grazie!

A Presto,
Tom Colombo

CLUB NEWS

On the July 8, 2025, Special Election at the General Dinner Meeting John Najac was elected to the Board of Directors. He will be serving out the position vacated by Maureen Freschet's resignation. Maureen was in her last year, of three, on the Board. As a result, John's place on the Board will terminate at the end of this year. However, he will be eligible to run for a three-year term if he is nominated in November. John has served on the Board in the past.

Congratulations John!

PIASC Scholarship Foundation

PIASC Scholarship Foundation Report

This year the Scholarship Committee has awarded high school graduates scholarships totaling over \$80,000. These scholarships went to Italian high school graduates who are going to a college, a university, a vocational school, a trade school or to study abroad.

Our Club's Scholarship Program has become very popular with our members because they understand the need to encourage more young Italians to join our club. We expect they will do so once they complete their studies or finish their trade school and vocational school training. Their club membership initiation fee has even been waived by the Board of Directors.

The high school students who receive our scholarships greatly appreciate our support. They cannot thank us enough and they tell us how much their Italian heritage means to them. They are proud to be Italians. They greatly respect us for helping them during these difficult times in their young lives.

Many of our parents, grandparents, and other relatives struggled and sacrificed to get to America many years ago. The Italians who arrived in the United States were very hard workers, but they were only offered the lesser paying jobs. Most of them had no formal education. They had to take the worst jobs and worked long hours to be able to support their families. These are our Italians relatives who helped us become respected citizens of our San Mateo Community. They also encouraged us to become members of this great Italian Club.

Let's remember our Italian relatives and supporters by honoring those Italians who sacrificed so much for us by making a donation to the PIASC Scholarship Foundation. It is time for us to "pay it forward" to our Italian American students. They could really use our financial support now to get their needed training or education.

Next year we hope to fund scholarships at the same or greater level. With your help we should be able to do it. We are a qualified 501(c)(3) which makes your donation to our Foundation 100% tax deductible.

Contact me anytime if you have any questions about our Scholarship Program. We greatly appreciate your support for this important club program.

P.S. Please also sign up for our Bocce Ball Fundraiser Tournament scheduled for Sunday, September 14, 2025. The Ad is in this month's Pensogram. Mario and Nella Conti can also give you the details and a registration form if you wanted to play.

Terry Anderlini, President
