B930

A930 Docking Station

Perfect base for A930 I Ergonomic Design I
6-POGO pin Connection I Automatic Magnetic
Alignment I Multiple Versions Available

PAX B930 is a full-featured docking station designed to add new functionalities to the powerful A930. With an ergonomic design, B930 holds the A930 perfectly in place while ensuring peak performance at all times.

The B930 comes in 2 versions, a multi-functional base and a wireless base, giving merchants the freedom to choose the version that best fits their needs.

The multi-functional base provides multiple external ports and charging options, while the wireless base offers Bluetooth and WiFi connectivity.
