

## **Traffic Control Technician - Hiring for Minneapolis - Shop Laborers and Drivers**

Warning Lites of MN is gearing up for the 2020 season. We are looking to add a few highly motivated individuals as Traffic Control Technicians (TCT). Whether it is setting up a safe work zone, working in the warehouse, loading/unloading trucks or delivering product throughout your assigned location, these key employees keep our day to day operations on track.

### **The Role:**

As a Traffic Control Technician, your responsibilities will include:

- Setting up a safe work zone that ensures that traffic does not cause a threat to workers and the general traveling public. This involves setting up signs, barrels, barricades, and other approved traffic control devices that will guide the public through a work zone safely.
- Takes direction from various road authorities and event planners, as it relates to project work.
- Work independently or part of a traffic control crew.
- Operate company vehicles to deliver and remove traffic control devices from jobsites.
- Performs shop work as required including preparing orders, cleaning and repairing equipment, and general housekeeping.

### **The Basics:**

TCT's don't mind the Minnesota weather and have a high regard for safety and excellent customer service. Successful candidates enjoy the physical demands of the position, are highly self-motivated, detailed, and take initiative to get the job done right while managing multiple tasks at once. This position does not require previous experience-we provide on-the-job training for the tasks that the TCT will need to perform but we do require the following:

- Valid driver's license with an acceptable driving record (as determined by our insurance company)
- Able to utilize a GPS device and read a map
- Ability to work long hours during Spring/Summer/Fall months. This job is seasonal and you will be laid off during the winter but you can keep your benefits at no additional charge.
- Must be able to work flexible hours including some weekends
- Must have the ability to lift and carry heavy objects (70+ pounds), walk and stand for long periods of time and perform strenuous physical labor under adverse field conditions
- Must have the ability to meet attendance schedule with dependability and consistency
- Must have working knowledge of English sufficient enough to read, write, speak and understand oral and written information
- Experience performing manual labor

### **Preferred:**

- Driving experience in professional setting
- Class A or B commercial driver's license
- 3+ years of overall, consistent work experience

### **We offer:**

- Competitive hourly pay- Starting pay varies based on position, location and experience. In addition to a base wage, most field positions are eligible for prevailing / certified wage which ranges from \$47-\$52/hr (rate is determined by project location). Opportunity to earn \$50,000-\$60,000/yr
- Weekly pay
- If you have the right attitude, we will train and certify
- Medical, dental, vision, life insurance and 401k plus paid time off benefits.

**Qualified candidates who are offered a position must pass a pre-employment substance abuse test and criminal background check.**

Warning Lites is an EOE/Affirmative Action/M/F/Veteran/Disabled employer; participates in E-Verify; and provides a drug-free work environment.
