86 A Visible Free and Open Source Audio System for LinuxnRadio Linux Rock band visualizer mxlps2009-10-23T20:59:08Z This is a new documentation which is not much different from the one already on the XSD website. I have only updated the wording to use links to the actual source files (build scripts etc.) and to expand the descriptions of each step of the building process. There are also some new macros which are needed for the MIPS version of the documentation.dikonlang-1.0.xsd.html new macros which are needed for the MIPS version of the documentation. 520fdb1ae7
