

This program is intended to offer an easy and simple solution for destruction of your unwanted Non-Hazardous Controlled Substances for healthcare, pharmaceutical, government, and research industries for Scheduled II-V.

**Trilogy's Mailback program DOES NOT ALLOW Schedule I Controlled Substances or any other illicit or dangerous substances, hazardous wastes or Regulated Medical Waste (including sharps) to be shipped to Trilogy as a part of this program. Every user of the Mailback program must ensure that the materials they place in the Shipping Package complies with the rules and restrictions of the carrier.**

**All materials shipped to Trilogy under this program MUST BE PRE-APPROVED by Trilogy and accompanied by a properly completed shipping document which will be provided by Trilogy.**

## How it Works in 9 Simple Steps

1

You purchase a bucket from Trilogy for the scheduled pharmaceutical waste

2

Trilogy will then send you a box with everything you need in it

3

You will receive the box and all your supplies

4

You keep your bucket and box until it is full

5

### ONCE YOUR PHARMACEUTICAL BUCKET IS FULL

Verify and inventory all scheduled products being sent for destruction. Send the completed Inventory Form to Trilogy MedWaste via email [MailBack@trilogymedwaste.com](mailto:MailBack@trilogymedwaste.com). Once Trilogy has reviewed your Inventory Form we will respond to your fax/email with directions on how to proceed with your order. If your Inventory contains Schedule II items a DEA 222 Form will be sent to you via FedEx. Place products in shipping container. Be sure to take extra care while packaging glass items, no loose pills and be sure to have your items packaged neatly.

6

You then use all the included supplies to package it back up for shipment

7

Go online and schedule FedEx pickup

8

Trilogy receives the box from FedEx then verifies the Inventory that is in the bucket against the Inventory Form that you sent in. Your Items are then stored in our vault until the next scheduled destruction date.

9

Trilogy witnesses the destruction and then sends you a Certificate of Destruction
