Scroll data-true style:block;text-align:center;margin-right:auto;margin-left:auto;width:480px;height:320px; If you have trouble downloading this game, go to this page and follow the instructions: How to turn on Flash Player in my Kong Trending browser with your friends activity Feed g Registration or log in to start getting activity updates from all over Kongregate! Forums Dev Author Comments Delve into a strange cave with seemingly endless treasure supplies, strategically choosing your fights to collect as many treasures as possible! Find rare artifacts, gold, and statistic gems, and pass the skill tree to become your choice of magician, warrior, alchemist, or combination of skills. Craft potions, charm your equipment, and discover secret areas! But beware, because the cave has become quite dangerous lately with a lot of explorers disappearing every day... Featuring lots of new features like 20 extra floors, an extended story, multiple game characters, more npcs, save slots, full screen capabilities, more music and new game mode! :D newgrounds are free and registered users see fewer ads! 1 2 3 4 5 6 7 8 9 10 11 ... 23 ... 33 This game is still a lot of fun. I'll still come back to play it sometimes. Ha! BEAT THE GAME! Tips the first spell you have to have is transmute. and then use it on the potion. mostly mp ones. Also use the protection of items on each photo of the armor. they hang up to two slots. and enemies carry light, wind, dark or other variations. Besides the late game, you get the best you'll ever get, DECIMATE's add you can make it sound like an anime move. also, if you feel like your about to die, GET out. Once you can one shot enemies from 1-20 or take less damage as 0, you can move on. and one more thing there's a gamp store between 30-50. prepare for it. Also don't transmute your armor if you absolutely need it. but regular you are ordinary since rare items are already slightly better than ordinary items. HAVE FUN AND I GOT HERO SWORD ALSO RIP flash, this is my last month before I start to stop using the flash player and I just found this game agin. The gameplay is amazing. I poured the clock into this game. RIP Adobe Flash Player. I can make an enlisted playlist on Youtube out of this.
