80km

Enjoy up to 80 km of Riding Range

This product delivers a tested range of up to 80 km under controlled laboratory conditions. Actual performance may vary depending on environmental factors.

The test was conducted using our 48V24Ah Sport Edition battery, with a rider weight of 75 kg, ambient temperature of 25°C, and an average speed of 20 km/h—offering a reliable benchmark for real-world performance.
