- There is an attendance requirement. Absence is only accepted in consultation with your trainer.
- Stay healthy. But if you get seriously ill, report this by calling or sending a text to us. Do this before the beginning of the lesson, not later than 8.45am.
- You will receive a key to the building, which you need to enter and leave the building. At the end of the bootcamp you must return this key. If you lose the key, it will cost you €25 for a new one.
- Everyone is expected to make him or herself aware of the plan of the building in case of an emergency. This plan is to be found on every floor.
- Students must behave in all the areas of the building, according to the landlord's regulations.
- You're learning how to develop software, not how to use social media. Skip this.
- Use of (soft) drugs or alcohol is prohibited in and near the building.
- Zero tolerance towards discrimination.
- Do not eat and drink behind workstations. Keep your work place tidy.
- Food and drinks should be tagged with your own name when put in the fridge.
- Each student should put his or her dirty dishes in the dishwasher. We're all responsible for clean dishes and a clean classroom.
- Everyone is responsible for the classroom space, equipment and materials.
- Treat others as you wish to be treated yourself. The App Academy is based on mutual respect, personal development, openness, trust, safety, teamwork and taking responsibility.
