

The Jimi Hendrix Experience - Bold As Love

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

Anger he smiles towering in shiny metallic purple
armor

Queen Jealousy, envy waits behind him

Her fiery green gown sneers at the grassy ground

Blue are the life-giving waters taken for granted

They quietly understand

The once happy turquoise armies lay opposite ready

But wonder why the fight is on

[Chorus]

But they're all bold as love

Yeah, they're all bold as love

They're all bold as love

Just ask the axis

[Verse 2]

My red is so confident that he flashes

Trophies of war and ribbons of euphoria

Orange is young, full of daring
But very unsteady for the first go around
My yellow in this case is not so mellow
In fact I'm trying to say it's frightened like me
And all these emotions of mine keep holding me from
Giving my life to a rainbow like you

[Chorus]

But they're all bold as love
Yeah, they're all bold as love
They're all bold as love
Just ask the axis
But they're all bold as love
Yeah, they're all bold as love
They're all bold as love
Just ask the axis
