[Verse 1]

Down the street you can hear her scream "You're a disgrace"

As she slams the door in his drunken face

And now he stands outside

And all the neighbors start to gossip and drool

He cries "Oh, girl, you must be mad

What happened to the sweet love you and me had?"

Against the door he leans and starts a scene

And his tears fall and burn the garden green

[Chorus]

And so castles made of sand fall in the sea eventually

[Verse 2]

A little Indian brave who before he was ten

Played war games in the woods with his Indian friends

And he built a dream that when he grew up

He would be a fearless warrior Indian Chief
Many moons passed, and more the dream grew
strong until
Tomorrow he would sing his first war song and fight
his first battle
But something went wrong, surprise attack **killed** him
in his sleep that night

[Chorus]

And so castles made of sand melts into the sea
eventually

[Verse 3]

There was a young girl whose heart was a frown
Because she was crippled for life
And she couldn't speak a sound
And she wished and prayed she could stop living
So she decided to **die**
She drew her wheelchair to the edge of the shore
And to her legs she smiled you won't hurt me no more
But then a sight she'd never seen made her jump and
say
Look a golden winged ship is passing my way
And it really didn't have to stop, it just kept on going

[Chorus]

And so castles made of sand slips into the sea,
eventually
