

Dear County Commissioners,

The Christian roots of this great state of Florida are undeniable; even seen in the design characteristics of our state flag which was borrowed from St. Andrew's cross. In keeping with our deep Christian heritage, our responsibility to uphold justice and righteousness, and the fact that we will all stand before God on judgement day; we urge you to consider the following resolution for our beloved county.

**RESOLUTION OPPOSING PRO-ABORTION AMENDMENT TO FLORIDA
STATE CONSTITUTION**

WHEREAS, a network of pro-abortion organizations including Planned Parenthood and the ACLU have spent millions and deceived thousands to garner the required number of petition signatures to place a pro-abortion constitutional amendment, titled "Amendment to Limit Government Interference with Abortion," on the November 2024 statewide ballot; and

WHEREAS, April 1st the Florida Supreme Court has approved the language of the abortion amendment placing it on the 2024 ballot to be voted upon by Florida voters; and

WHEREAS, this abortion amendment to enshrine abortion on demand in the Florida Constitution would by-pass the legislative process, thus removing the constitutional delegated power of the legislature in their duty to enact laws criminalizing equally the murder of pre-born humans as already exist for post-born humans in Florida statute, while preventing the executive branch of our state government from carrying out such laws as to safeguard the lives of pre-born humans in our state; and

WHEREAS, this iniquitous amendment would remove the possibility of prosecuting and holding accountable those that seek to shed innocent blood; and

WHEREAS, the wording of this proposed Pro-Abortion Amendment like "age of viability" concerning pre-born humans and "health of the mother" is ambiguous and misleading as a means to intentionally codify abortion on demand from fertilization to the moment of birth as a constitutional right.

NOW THEREFORE, BE IT RESOLVED, that the _____ County Commission strongly condemns this misleading and Pro-Abortion Amendment, thereby encouraging all _____ County voters to oppose it by voting no on Amendment 4.
