Helly Hansen's size guide to the Norwegian brand Helly Hansen was founded in 1877. The Oslo-based garment company is currently managed by Paul Stoneham. The founder of the brand was Helly Jewell Hansen, born in 1840, who opened as the first garment factory that provides protection from rain. Why? From an early age he sailed by sea as a ship's side, later becoming a captain. The brand has not changed its core industry. To this day, Helly Hansen produces rain-proof and windproof clothing. In their extensive collection we will find not only typical sailing clothes, but also winter, ski, climbing clothes, etc. High-quality clothing and modern solutions Helly Hansen have put them on the path of one of the most popular brands in the industry. Below we present a size chart of Helly Hansen for men, women and children. To provide greater protection against adverse weather conditions, he applied flaxseed oil on a cotton canvas and thus created the first waterproof clothing. Then, together with his wife Margaret, they began to produce jackets and jackets with oil coating. They have already received the first prize for their achievements in 1878 at the World Exhibition in Paris. In 1949, a new waterproof Helox fabric was created that contained a thin sheet of PVC that was sewn into the coat to make them waterproof. It was another success of the new Helly Hansen brand, presented this time at the Olympic Games in Helsinki in 1952. The 70s were the development of thermal underwear. HH introduced the innovative Lifa® material that wicks moisture away from the body, providing pleasant comfort, warmth and convenience even during intense exercise. The following years were a rapid development of the brand, new materials were created, including Helly Tech® (1984) and HH®Warm™, which combined with merino wool would be ideal on cold days. The Helly Hansen brand has won many awards and its popularity is growing every year. Currently, HH clothing is available in 40 countries. Helly Hansen Soft clothing and comfortable clothing allow you to play any sport and at the same time feel comfortable. The highest quality materials provide proper humidity management, thermoregulation and aesthetic experiences. The company, which has been in place since 1877, specializes in rain, wind and thermal clothing. The offer of the tourist store e-horizont.pl includes, among other things: fleece jackets, rain jackets, winter jackets, hiking pants, as well as shorts, dresses and T-shirts. Clothing brand HH is designed for active people who love to travel, sports and all outdoor activities. Helly Hansen is a combination of classics with modernity, as well as high quality and comfort. Helly Hansen Sailing and Outdoor Clothing Polar Helly Hansen is a material that adapts to the body, dries quickly and breathes, it is also the perfect solution for cold days. In the rainy, Helly Hansen waterproof jacket will be helpful. It is made of Helly Tech Protection material that is moisture-resistant and has a soft mesh lining, providing comfort. Under such material it is best to wear thermal underwear and sheep's wool. Helly Hansen thermal-active underwear provides delivers and quickly transport moisture from the skin, providing dryness and high comfort even while increasing the effort. The wool used to make sports shirts comes from organic farming. Helly Hansen clothing is the perfect choice if you are looking for sailing or outdoor clothing. Striped patterns and classic colors will make summer the most pleasant of all seasons.
