Atkinson and hilgard' s introduction to psychology 15th edition pdf

This 15th edition of Atkinson and Hilgard's Introduction to Psychology preserves all the qualities that have created it as one of the leading psychology textbooks of the past 50 years: an approach that focuses on students, a keen awareness of recent scientific developments, and a deep understanding of the classic-going studies that have shaped psychology as an academic discipline. Covering all the major fields of psychology, this text examines the theories, research and ideas that underlie the subject, providing students with engaging and rigorous introduction to psychology. By consistently correlated psychological concepts with everyday life, and relying on an internationally diverse range of studies, this publication continues to be a relevant, dynamic introductory text for students around the world.
