**It's time to change the world.**

**Welcome to Impact Summit, a space for asking questions, sharing ideas and collectively building solutions to the problems we face in our communities, our country, and across the globe.**

We'd like to thank you all for coming today, and to all of our volunteers and partners who have worked to make this event possible. The results of the summit will be delivered straight to the people who carry the most influence in our government, so we deeply encourage you to make your voice heard.

Keep an open mind, enjoy yourself, and don't forget to join us in The Backyard for the after party!
