Dear Faculty, Brothers, Seminarians, our beloved Benefactors and Guests,

During the apostolic trip to the United States, in 1987, Pope John Paul II emphasized the uniqueness of the seminary of Saints Cyril and Methodius, which “grew out of true love for the Church and its attachment to Polish traditions.” Today we can say that the desire of Saint John Paul the Great is fulfilled. The seminary is continuing the mission, which began 136 years ago, and are preparing priests and leaders for the Church of the United States.

As we are concluding our seminary formation and studies, we would like to express our deepest gratitude to all of you for your generous support and above all, for your prayers and goodness. Orchard Lake is not only a place where seminarians are trained to become priests, but where everyone creates beautiful stories and all are part of it.

It is thanks to people like you that our seminary is flourishing, and that it is the place of many significant events where everyone can experience goodness and truth. “Live as if you were to die tomorrow. Learn as if you were to live forever.”
