Adirondack Community

Capturing, Retaining, and Communicating the Stories of Who We Are. Tell Us Your Story!

Adirondack Community

Sponsored by the Keene Valley Library, Adirondack Community is a multi-year local history project that collects and organizes audio stories and related photographs from Town of Keene community members through this online platform to share our rich social and cultural history in New York State's Adirondack Mountains.

Stories of yesterday and today, by young and old, will remind you why our town's stories must be told!
