

We are hiring!

A surge in new clients means we are in need of someone with experience ideally in vitreous enamelling or at least bath resurfacing.

We are looking for someone who will relish the opportunity to restore vintage baths. The candidate will be obsessed with detail, unrelenting in pursuit of quality and love what they do.

Candidates must be skilled in all areas of vitreous enamelling or resurfacing as full training will be provided. You will also need to be able to drive a fork lift and be willing to do shot blasting.

The successful applicant will be someone who meets the requirements outlined above, shares our values and is the right fit for The Vintage Bath Company.

Full driving license will also be required to help with deliveries and collections.

The candidate must live within a reasonable commuting distance of our workshop based in Calne Wiltshire.

Pay is offered at competitive rates and based on experience.

All applications need to include a CV, photographs or portfolio of recent work, references and a covering letter explaining why you think you should be considered to work with us.

Contract type

Permanent, full time Salary commensurate with experience.

To apply, please send your CV and portfolio to
info@thevintagebathcompany.com
