PREAMBLE of UNIVERSAL CLIMATE DECLARATION

WE, World Stakeholders, World Citizenship as individuals, Organizations, Citizens of our Respective Nations on Planet Earth (*), at this 12 December 2025, acting 10 Years of Paris Agreement:

1/ Agreeing to translate the Triple Discipline Alignment to practice as much on a daily basis:

- Concrete Sustainable Decisions and Actions
- for Climate Mitigation and Adaptation
- on Personal and Professional behaviors in respect with Nature, its cycles and physical laws

2/ Reaffirming Officially to consolidate the Vocation & Immaterial Values of PARIS AGREEMENT

- As the most important framework climate related, and asset of dialogues between Parties, representing 50 years of environmental diplomatic milestones.
- Its major importance for XXI is our World Citizenship Act of testimony for Current & Future Generations: beyond targets quoted in the [Agreement](#), the most essential is a matter of principle to cooperate and co-create respective pathways of human development within Planetary Limits, for a Sustainable and Common Future to preserve locally, globally, during time.

3/ Recognizing this present Preamble of “UNIVERSAL CLIMATE DECLARATION” as

- The Bottom-up translation from 2025, by a World Citizenship Prism, at an individual stage.
- The [Official](#) complementary of the Top-down Signature in 2015, by States (Parties) at global stage.

By this Preamble of “UNIVERSAL CLIMATE DECLARATION” Citizenship Initiative, We recognize natively the Official Linkage References already accomplished by:

- Presidencies of **COP21**, **UNFCCC**, their Representatives, all stakeholders acting for sustainability
- Chairs & Teams of **IPCC**, **IPBES**, **Indigenous People Communities** and their Representatives,
- Presidency of **World Court** and its Representatives (International Court of Justice UNs).
