See this blog post for more information on free or reduced-price lunch and direct CCD certification eligibility counts. \* denotes that a column with data from 2018-2019[ † ] indicates that the data is not applicable. For example, enrollment and staffing features for schools that opened in the 2019-2020 school year will not be available until the full 2019-2020 file is released. [ - ] indicates that the data is missing. [ † ] indicates that the data does not meet NCES data quality standards. Directory information about the school name, address, and phone number is preliminary data Initial submissions of school-level data for 2019-2020.The data provided on student and staff membership comes from official school-level data for 2018-2019. Source: CCD Public School Data 2018-2019, 2019-2020 School Years National Center for Education Education Office of Educational Research and Improvement, U.S. Department of Education 1990 K Street, NW, Washington, DC 20006, USA, Phone: (202) 502-7300 Prince George's County Public Schools (PGCPS) provides alternative means within the existing public school system to provide innovative learning opportunities and creative educational approaches to meeting educational goals for students. Specialty programs provide a variety of learning or exclusive people, activities and/or learning opportunities as an improvement of choice for our community. Program options include Biotechnology, Creative and Performing Arts, French Immersion, Montessori and Talented and Gifted. Through the PGCPS lottery process, parents and students have the opportunity to secure an available seat in one of the Specialty Programs (SPs) established at selected schools throughout the county. Specialty Programs have specific limits and all schoolwork through the lottery is based on a student's home address. Admission to the program begins at three or four years of age. Students generally remain the program until eighth grade. ♦t visusPage TransparencyFacebook displays information to help you better understand the purpose of a page. Skatt' Visu Learn more about involving homes for rent and sale near this school This school is ranked above average as a school compared to other schools in Maryland. Students here are doing about average academic improvement year after year, ... Plus this school has about the average results in how well it's serving underprivileged students, and students perform around average on state tests. How is this district responding to COVID-19? Find out &gt;&gt; students at this school are making average academic progress from grade to grade compared to students from other schools in the state. Parent Tip Test scores at this school are about the same as the state average, though still below high-performing schools in the state. Because test scores in some states are so low, many students at this school may not be performing at grade level. Parenting tip Do you notice anything missing or confusing? Disadvantaged equity students at this school are performing just like other students in the state, but this school may still have achievement gaps. Parents' advice AMBIENTE Thank you for a rating for ! Please check your email inbox for instructions on passing your review. Review. Review.
