Ios termination signal illegal instruction 4

When building my app in any version of Xcode above 8.2.1 it fails with this error:Command failed due to signal: Illegal instruction: 4The details are entirely useless and nothing that I can find in these forums or on StackOverflow has helped me at all.CompileSwiftSources normal x86_64 com.apple.xcode.tools.swift.compiler cd /Users/James/Developer/Hypit/iOS export
