Mastercool manual coupler

Block 15 Irlam Wharf Business Park, Irlam Wharf Road, Manchester, M44 5PN Phone: 0161 775 1190 Email: sales@airconspares.com Copyright © 2020-present Ryan Air Conditioning Spare, Inc. All Rights Reserved. Web Design and SEO smoking Chile Media Places across the nation, CA, DE, FL, GA, IA, IN, MA, MD, MI, MO, NC, ND, NE, NJ, NY, OH, PA, TX, WI Home Of the Products of the Couplers Featuring All 12 Results The patented manual pair easily adapts to R134a service ports with different sizes. All metal design for additional durability. A patented spring depressor will not damage the service valves. It can be removed from service ports regardless of the position of the handle without losing the refrigerant. Meets SAE, UL and EPA requirements to contain the refrigerant. Color. Patent 5,370,359 82834: High-Side Guide R134a 14mm-F x 16mm Fast Coupler 82934: Low Side Guide R134a 14mm-F x 13mm Fast Coupler 82834-E: High-Side Guide R134a 1/4 FL-M x 16mm Fast Coupler 82934-E: Low Side Guide R134a 1/4 FL-M x 13mm Fast Coupler 82834-3/8: High side-guide R134a 3/8 FL-M x 16mm Fast Coupler 82934-3/8: Low Side Guide R134a 3/8 FL-M x 13mm Fast Coupler 82834-J: High-Side Guide R134a M12 x 1.75 x 16mm Fast Coupler 82934-J: Low Side Guide R134a M10 x 1.5 x 13mm Fast Coupler 80034: O-Ring for 16mm Fast Coupler 80134: O-Ring for 13mm Fast Coupler The new Mastercool pairings are designed for use on all R134a systems. This unique design allows a specialist to work on the system without worrying about accidentally disabling the hose regardless of movement. Once the steam is connected to the system, the safety lock sleeve slides into place, ensuring that the paret cannot be removed without screwing the hand valve. Meets all SAE, UL and EPA requirements to contain the refrigerant. Color. 82834-SL: High-Side Guide R134a Security Lock Coupler 14 mm-F x 16 mm 82934-SL: Low Side Guide R134a Security Lock Coupler 14 mm-F x 13 mm 82834-SL-E: High-Side Guide R134a Security Lock Coupler 1/4 FL-M x 16 82934-SL-E: Low Side Guide R134a Security Lock Coupler 1/4 FL-M x 13 mm 82834-SL-3/8: High-fight Guide R134a Security Lock Coupler 3/8 FL-M x 16 mm 82934-SL-3/8: Low Side Guide R134a Security Blocking Coupler 3/8 FL-M x 13 mm 82834-SL-J: High-Side Guide R134a Security Lock Coupler M12 x 1.75 x 16 mm 82934-SL-J: Low Side Guide R134a Security Lock Coupler M10 x 1.5 x 13 mm 80034: O-Ring for 16mm Security Block Coupler 80134: O-Ring for 13mm Security Block Coupler
