Kirby and meta knight fanfiction

A bunch of headcanons or worldbuilding bits that revolve around the Kirby video game series and anime Hoshi no Kaabi. There are many mentions of my original characters, but hopefully it still makes sense. Part 3 of Kirby and Friends Language: English Words: 568 Chapters: 1/1 Kudos: 4 Hits: 71 In early winter, a strange shooting star crosses the Dreamland sky - and a new star warrior appears. This is an OC-centric story, and it goes on with a comic series that I did before a "welle", so it's older writing and art. I will post the link to the comic series in the closing notes. Part 2 of Kirby and Friends Language: English Words: 3,322 Chapters: 1/1 Kudos: 2 Hits: 36 Kirby wakes up in a world covered by eternal darkness and where it's risky to be outside. The Shadow awakens in a world of light ruled by a tyrannical king who has monsters to terrorize the city. Hoshi wakes up in a world where the hero never defeated the second villain and therefore didn't want to try in the end. At the same time, in a world where the hero has defeated every enemy he has faced, he awakens. Now it's time for them to find how they can return to their own worlds Language: English Words: 6,580 Chapters: 3/? Kudos: 32 Bookmarks: 3 Hits: 339 On the one hand, this is the story of a pink puff and his friends befriending a stranger who fell from the sky. On the other hand, this is the story of a young man and his robot in a world that is completely unknown to them. Language: English Words: 129,100 Chapters: 24/24 Kudos: 27 Bookmarks: 5 Hits: 711 Here you can read some fluff and fear about Cookie Run: Ovenbreak, Dust: An Elysian Tail, Mo Dao Zu ShiThe Untamed, Kirby (the anime) and Fullmetal Alchemist: Brotherhood. These are drabbles that I had stored in my documents and decided to share because why not. IMPORTANT: I'm not going to write ships that would contain paedophilia, rape, etc. Just no. Uhh characters may seem OOC, but it's the way I see them (plus adding my own mental problems and headcanons to the mix :D). I usually do M/M. That's all fluff. I can and will never write smut. Part 3 of Drabbles (EN/ES) Part 1 of Cookie Stories Language: English Words: 2,151 Chapter: 3/? Kudos: 29 Bookmarks: 4 Hits: 926 A collection of a shot of you really made! From Headcanons. Au/s.
