1 win & 10 nominations. See more awards » Learn more Edit to miraculously remaining 29 years old for nearly eight decades, Adaline Bowman has lived a lonely existence, never allowing herself close to someone who can reveal her secret. But a chance encounter with charismatic philanthropist Ellis Jones governs her passion for life and romance. When a weekend with his parents threatens to expose the truth, Adaline makes a decision that will change her life forever. Plot Summary | Plot Synopsis Taglines: Adaline was ageless until she found something timeless. See more » Drama | Fantasy | Romance Movement Photo Rating (MPAA) Rated PG-13 for suggestive comments | See all certifications » Parents Guide: View content advice » Edit This is a regular question whether Harrison Ford called the voice of his character's younger self. The answer is no; Anthony Ingruber is really as good of a Ford sound. He first got public attention from his impressions on his YouTube channel. See more » When young William asks the other camper to take a picture of them after Adeline injuries her hand, she covers her mouth with her fingers pointing outward, away from her face. When they show the last picture, her fingers point inside. Since they didn't have digital cameras at the time and film was precious, it would be highly unlikely they would take more than one picture. See more » [first lines] Narrator: On December 31, 2014, a taxicab traveled through San Francisco, from Chinatown to Marin. The car carried a single passenger: a woman, her birth name Adaline Bowman, current alias Jennifer Larson. This is the first and last chapter of her story. Mills Goodloe and Salvador Paskowitz. [4] The film played Blake Lively, Michiel Huisman, Kathy Baker, Amanda Crew, Harrison Ford and Ellen Burstyn. In the United States, the film was released on April 24, 2015, in Portugal on April 30, 2015 and in Brazil on May 28, 2015. Argument Adaline Bowman is 29 years old and survives an accident but continues to carry a curse: eternity. This condition leads her to isolate himself until one day he meets a man for whom it is worth taking a chance. [4] Starring Blake Lively as Adaline Bowman/Jennifer Larson[5] Michiel Huisman as Ellis Jones[6] Harrison Ford as William Jones[7] Kathy Baker as Connie Jones Ellen Burstin as Flea[5] Amanda Crew As Kiki Jones Anjali Jay as Cora Richard Harmon as Tony Lynda Boyd as Regan Barclay Hope as Stanley Chesterfield Chris William Martin as Dale Davenport Lane Edwards as Dr. Larry Levyne Anthony Ingruber as William (young)[8] Peter J. Peter J. Gray as Clarence James Prescott[9] Production On May 12, 2010, The romantic epic film The Age of Adaline was announced, which would be co-financed and co-produced between Lakeshore Entertainment and Sidney Kimmel Entertainment. J. Mills Goodloe and Salvador Paskowitz would be the authors. [10] Sierra Affinity acquired the international rights to the film, while producers Steve Golin, Alix Madigan, Tom Rosenberg and Gary Lucchesi would be. [10] On 20 July 2010 it was reported that Andy Tennant would direct the film. [11] On 31 October 2010, Summit Entertainment acquired the distribution rights for the film in the United States and began filming in September, which was released in early 2012. [12] On 22 February 2011 it was reported that Gabriele Muccino was in negotiations to direct the film, replace Tennant and simply rename the film to Adaline. [13] On 14 May 2012, it was announced that Spanish director Isabel Coixet would lead the film. [14] On October 16, 2013, Lee Krieger took over as director of the film. [5] On 12 May 2010, Katherine Heigl joined the cast as a main character. [10] On 12 November 2010, Angela Lansbury joined the cast, Lansbury would act as the daughter of ageless mother Adaline. [15] On 15 November Heigl left the film and there were rumours that she had been fired by Lakeshore, but both denied it. She later announced that her withdrawal was the result of her recent approval of her daughter's adoption. On 15 August 2011, TheWrap reported that Natalie Portman played the lead role. On August 25, Portman told Entertainment that she had turned off the offer. [18] On 16 October 2013, Blake Lively and Ellen Burstyn joined the cast, Lively would play as the main character Adaline. [5] On 15 January 2014, Harrison Ford joined the cast to perform with Lively and Burstyn, where they would start in March. [19] On 11 February 2014, Michiel Huisman joined the cast of the film to stare at Live as Adaline's loved ones. [6] Filming began on 10 March 2014 in Vancouver and continued until 5 May. [20] On 11 March 2014, filming began at the Vancouver Hotel. [21] On 15 August 2014 Lionsgate announced the global release of the film for 23 January 2015. [22] The date was later changed to 24 April 2015. [23] In Portugal, the film premiered in theatres under the distribution of NOS Audiovisual on 30 April 2015[24][25][26] and in Brazil on 28 May 2015, under the distribution of Diamond Films. [27] The Age of Adaline's reception received mixed reception from critics. Based on 31 professional reviews, it reached 51 points out of 100 on Metacritic. In mixed reviews of The Guardian, Jordan Hoffman said: Age of Adaline, which begins by looking like a series of superficial apologies to put Blake Lively in some fantastic timeless dresses ended up in an emotional drama and even in a daring room. The end of it is ridiculous, but also perfect and I would lie [if I] that I wasn't a little emotional. From ReelViews, James Berardinelli: Disorderly plotted, he is not only a victim of absolute predictability, but chooses to have almost every important conversation (except one) that takes place on the screen. This kind of laziness is unacceptable and leads to a strong sense of public dissatisfaction. USA Today, Claudia Puig: The story feels like a less complicated companion to The Curious Case of Benjamin Button. Logical and obvious issues are ignored. For example, if she stays 29 [years old], does it make her immortal? Washington Post. Stephanie: The Age of Adaline works best as a simple son meets girl; girl falls in love; Girl ponders or to reveal that she will remain young forever. Everything is just a very unnecessary noise. In favor of reviews, the New York Post's Kyle Smith: The film is as loved as a lamb, a lamb resting in a scented environment. It's a film that has a certain ironic look at things of the past. It's like a millennial hipster, with its battled fascination for all things retro, has a step further: real respect for learning, for experience, for wisdom. Entertainment Weekly, Leah Greenblatt: Lively looks fantastic in fashion every passing season, she does a good job of transporting Adaline's old-world diction and reserves; there is no Gossip girl in this girl. Dissolved, Genevieve Koski: As his main character, Age of Adaline is an out-of-time film, polite and uncomproceed with current trends, and hopelessly not hipster. But it is also beautiful and refreshing in its own sincere and direct way. So ridiculous that Age of Adaline looks superficial, it is surprisingly refined and balanced in its execution.
