- Henderson, M., **Short, V. M.**, Kearney, C., DelPriore, D., Proffitt Leyva, R. P., Bruce, E., & Hill, S. E. (April 2017). The effects of paternal disengagement on women's perceptions of male mating intent. TCU College of Science & Engineering Annual Student Research Symposium. Fort Worth, Texas.

Research Experience

Graduate Research Assistant	Oklahoma State University
Oklahoma Center for Evolutionary Analysis	Fall 2020-current
Jennifer Byrd-Craven, Ph.D. & Jaimie Krems, Ph.D.	
Responsibilities include attending weekly meetings, collaborating with faculty members and graduate students, and presenting research projects to receive feedback.	

- Graduate Research Assistant
Krems Social & Evolutionary Psychology Lab
Jaimie Krems, Ph.D.
Responsibilities include attending weekly meetings, training and collaborating with undergraduate research assistants across differing steps of the research process, and providing professional development advice to students exploring various career paths.
Oklahoma State University
Fall 2020-current
- Graduate Research Assistant
Psychobiology Lab
Jennifer Byrd-Craven, Ph.D.
Responsibilities include attending bi-weekly meetings, training and collaborating with undergraduate research assistants across differing steps of the research process, and providing professional development advice to students exploring various career paths.
Oklahoma State University
Fall 2020-current
- Lab Manager
Hill Social Evolutionary Psychology Lab
Sarah Hill, Ph.D.
Responsibilities include attending bi-weekly meetings, keeping track of necessary research trainings and project progress for ~30 undergraduate research assistants, organizing research assistant interviews for graduate students, and providing professional development advice to students exploring various career paths.
Texas Christian University
Spring 2019-Fall 2020
- Undergraduate Research Assistant
Hill Social Evolutionary Psychology Lab
Sarah Hill, Ph.D.
Responsibilities include working with graduate students to develop and launch new studies, managing recruitment for several large studies with complex exclusion and scheduling criteria, assisting with data collection for complex studies involving blood/saliva collection, processing biological samples analyzing data using SPSS, and presenting results locally as well as nationally.
Texas Christian University
Spring 2017-Fall 2020
- Clinical Oncology Research Assistant
Moncrief Cancer Institute
Laure Howe-Martin, Ph.D.
Responsibilities include attending weekly trainings on various therapeutic interventions, conducting research on therapy efficacy and outreach for cancer patients/survivors, working with clinical psychologists and graduate students to provide mental health screenings and recommendations for treatment, and sharing findings with local oncologists as well as through publication and presentations at national conferences.
UT Southwestern Medical Center
Fall 2018-Spring 2019

Research Assistant Fort Worth Museum of Science & History
 Research & Learning Center Fall 2017-Fall 2019
 Deborah Cockerham, Ph.D.
 Responsibilities include working with guest researchers from a wide array of universities and departments to organize field studies, recruiting museum guests as participants, and facilitating data collection often with children or entire families.

Teaching Experience

Teaching Assistant for Experimental Psychology Oklahoma State University
 Supervisor: Sarah Kucker, Ph.D. Spring 2021

Responsibilities include giving weekly lectures over research methods, assisting students with conducting individual research studies for final paper, and grading.

Teaching Assistant for Social Cognition Oklahoma State University
 Supervisor: Jen Labrecque, Ph.D. Spring 2021

Responsibilities include giving guest lecture, managing the online textbook, and grading.

Guest lecture: Love & romantic relationships from an evolutionary perspective

Teaching Assistant for Experimental Psychology Oklahoma State University
 Supervisor: Sarah Kucker, Ph.D. Fall 2020

Responsibilities include giving weekly lectures over research methods, assisting students with conducting individual research studies for final paper, and grading.

Private Tutor FrogTutoring
 Supervisor: LaQuesia Gorins Spring 2018-Fall 2019

College-level topics: Statistics (i.e., elementary and business), psychology, neuroscience, sociology, Italian

Elementary- to high school-level topics: English, math, and sciences

Grants

Undergraduate Thesis Research Grant Texas Christian University
 Awarded by: John V. Roach Honors College 2019-2020
 Amount: \$2,700

Undergraduate Conference Travel Grant	Texas Christian University
Awarded by: John V. Roach Honors College	2019
Amount: \$1,000	
Undergraduate Travel Grant	Texas Christian University
Awarded by: Department of Psychology, Chair	2019
Amount: \$500	
Undergraduate Travel Grant	Texas Christian University
Awarded by: College of Science & Engineering, Dean	2019
Amount: \$500	
Undergraduate Research Grant	Texas Christian University
Awarded by: Science and Engineering Research Center	2019
Amount: \$1,660	

Awards & Honors

Wassenich Founder's Medal Award, 1 st place	Texas Christian University
Awarded by: John V. Roach Honors College	Spring 2020
Steven G. Cole Scholar in Experimental Psychology	Texas Christian University
Awarded by: Department of Psychology	Spring 2020
Senior Scholar in Psychology	Texas Christian University
Awarded by: John V. Roach Honors College	Spring 2020
Clark Society Scholar	Texas Christian University
https://advancement.tcu.edu/new/cs_clark_scholars-old	Fall 2019-Spring 2020
Dean's List of Recognition for Academic Achievement	Texas Christian University
Awarded by: College of Science & Engineering	Fall 2017-Spring 2020
Faculty Scholar	Texas Christian University
Awarded by: TCU Admissions	Fall 2016- Spring 2020

Professional Memberships

OSU Psychology Graduate Student Association	Fall 2020-current
