

A Cozy Mystery

For OCQG January 2026

Supply List

(76" x 76")

Fabric Requirements:

Background: (To contrast with the vast majority of your Strip Pack below)
5 1/2 yards

Please precut before class:

First Trim 78" x Width of Fabric for Borders to be cut later

21 each 2 1/2" x Width of Fabric (WoF) strips

And

3 each 10 1/2" x WoF strips

Sub cut 24 each 4 1/2" x 10 1/2" rectangles

And

2 each 6 1/2" x WoF strips

Sub cut 16 each 4 1/2 x 6 1/2" rectangles

One pack of 40-42 each 2 1/2" x WoF strips also known as a Jelly Roll or Bali Pop or Design Roll or ???

Note 1: You could also cut a variety of coordinated strips from your stash.

Note 2: Some Strip Packs have a few contrast strips that almost seem like they don't belong. This works well for our mystery. If your Strip Pack does not have some strips like this, you will also need:

2 Extra 2 1/2" x WoF strips to contrast with both your background and your other strips.

Note 3: Not into scrappy? This design would be great in just background + 1 fabric OR shades of 1 hue.

Bring all above fabrics to workshop.

You will also need:

Sewing machine with cord, control foot, bobbins and a quarter inch presser foot.

Basic rotary equipment: Mat, cutter, rulers (I like a 6" x 12" and a 12.5" square.)

Irons will be provided in class.

Standard sewing supplies like scissors, pins/wonder clips, thread, design wall or board, pencil or pen and note pad and anything else you need for a cozy time sewing!
