With the expert teaching, the proven business model and access to John Maxwell's leadership content, this program is exactly what I needed to achieve the business and income goals that I set for myself. Using John's resources allows me to add value to people in such a dynamic way. I am getting far more from my investment than I ever envisioned! The John Maxwell Team certification has allowed me not only to continue growing in every area in my life, but it has also allowed me to expand my awareness and influence. The power of connection and proximity with John Maxwell and the high-performers in his inner circle have been paramount in my growth journey. This relationship and experience have allowed me to position myself and my consulting firm from a privileged platform, becoming more influential and attracting more high-level clients. The John Maxwell Team is a perfect catalyst for growth and transformation because you will have the support of mentors who have proven results. This program is packed with great leaders who not only show the way, but walk the way with you. When I joined the John Maxwell Team (JMT), I was fascinated by the extensive curriculum and learning opportunities it presented. I wanted so much to grow as a leader and also help others to grow. Prior to joining the team, I had very little clue about how coaching worked, I lacked confidence as a speaker and couldn't even see myself training anyone. My confidence level was so low. Right now, I can hardly recognize the person I have become as a result of my JMT journey. I am a better person, coach and leader today because I made the decision to join JMT and be connected to the Maxwell brand. I have a growing coaching and training business and I am making a great income from my business now. I have experienced other coaching programs and none of them compares with JMT! I see a transformation in my company! I am grateful to John for allowing us to use his books and teachings. I own Paul Mitchell salons, and I am also one of the brand's leading educators. In my line of work with beauty professionals, I am able to teach Mastermind Groups as well as provide keynote speaking on topics such as professional growth, teamwork, business development and more. I'm amazed at how many lives are being changed and transformed by the Maxwell lessons! As a result of their transformation, our whole company is transforming. More of our salon owners and educators are joining the John Maxwell Team, and that's a true testament to the value and quality of this program! I've never been more inspired to learn, grow, and do more in my life. The genuine caring and fantastic attitude I experienced when I inquired about joining the John Maxwell Team is what gave me the courage to go to the President of my Company to ask for assistance with this great opportunity. When I returned from the certification event, the President was so impressed with the leadership training I shared with the organization, he has now enrolled all four of my trainers for the next session! And, if all goes well, we will be sending even more people from the Company. THANK YOU Team! I have been laser focused on growing my business, becoming president of the National Speakers Association of New Zealand, attending conferences, networking, and speaking at many different places. I secured my first 5-figure speaking engagement, and am short-listed for other speaking opportunities historically awarded to my peers here in New Zealand. I write this post to encourage those who have been thinking about quitting – Don't Quit! Hang in there, practice your craft, do everything you can to learn, improve and get better. Thank you John Maxwell and the Team for equipping me AND for not quitting on me! I am Celebrating!" I signed a contract for a speaking engagement with an audience of 500 that came to me via my John Maxwell Team Member website, which had only been up for FIVE DAYS when I received the inquiry. John allows us to link ourselves to the 'Maxwell brand name,' and it truly works! Thanks John!
