

# Equine Wellness PLANS

We offer wellness plans for every age and life stage, with the benefit of personalizing the plan to your horse's unique needs. Our plans suit the everyday backyard horse, performance horses, and senior/geriatric horses.

## ♥ GERIATRIC Wellness Plan:

Perfect for the horse that's over 15 years old. This plan helps older horses to age gracefully through the prevention and early detection of age-related diseases. The plan includes screenings for heart disease, glaucoma, and pituitary pars intermedia dysfunction (PPID or equine Cushing's disease) to increase healthy longevity.

This wellness package is for preventive care services only and does not include services for medical conditions, illnesses or emergencies. This is not insurance. Billing services for your wellness plan are provided through VCP. If you have any questions regarding your equine's treatment, please contact your veterinarian. Program may change without notice. See terms and conditions of your wellness plan agreement for a summary of treatments.
