Continue

Themed: Electrical Empowerment Instructions: You can check any or more answers to the question. If you use the answer, sometimes suggested, not only do you lose points, but you still have to complete the answers. Your score is calculated according to all selection options (ticking a bad box is considered a mistake, not ticking a good box is also considered a mistake...). Once you're done, you'll hit the Score button at the bottom of the page. You will see your score at 20 and then the correct answers. Labeled: Science and Technology Ministry of National Education - General Directorate of School Education - Some rights reserved Before accepting the questionnaire, consider revising the course of empowerment. BR Questionnaire General Employee Intervention in Low Tension (60 quizzes), including 45 random in the bank over 250 questions. Several topics (electrical hazards, measurements, appliances, electrical equipment and tools responsible for intervention, EPI - EPC and party...) The BR questionnaire (60 questions) from the Electrical Risk Prevention Training Repository, published in June 2013 (National Education).
