To provide website visitors with more choice on how their data is collected by Google Analytics, Google has developed the Google Analytics Opt-out Browser Add-on. The add-on communicates with the Google Analytics JavaScript (ga.js) to indicate that information about the website visit should not be sent to Google Analytics.

If you want to opt out from being tracked across all websites via Google Analytics, download and install the add-on for your current web browser. The Google Analytics Opt-out Browser Add-on is available for Internet Explorer, Google Chrome, Mozilla Firefox, Apple Safari and Opera.
