Game Features..... 8.24 Average grade 8.4 / 10 8.53 Sound 2.03 Gameplay 8.24 Overall rating 8.41 Overall score: 86.16 (GameRankings) Xenoblade Chronicles (XC) is an action RPG developed by Monolith Soft and Nintendo, released in the Americas on May 29, 2010, Europe on June 4, 2010, Australia on July 3, 2010, and Japan on July 8, 2010. The game was also released as Xenoblade in Japan on the Nintendo Wii's Virtual Console. Xenoblade Chronicles was re-released on Nintendo 3DS in Japan on March 28, 2011 and in Europe on May 11, 2011, Australia on July 20, 2011 and in North America on July 21, 2011. I have only just finished playing through Xenoblade Chronicles, so I'm currently a little bit behind on reviews. However, a lot of reviews I've read of this game have had negative remarks about the game. From what I can see, there are some issues with the game that really don't help it to have an enjoyable experience. I'll try to point out some of these issues. The first thing I noticed about Xenoblade Chronicles was the music. I found it to be very repetitive, usually consisting of the same tune over and over again. You can even change the music style to some of the music tracks in the game. I found it odd that the main theme of the game was not a song, it was instead a kind of jingle that was kind of annoying. Other music was also repetitive and not very good. My complaints with the gameplay are mostly related to the controls. I found them to be very unresponsive, especially the

camera. It was especially bad in some areas with platforms to cross. Sometimes I would try to jump over and my character would just stand there. I have a wii remote and Nunchuk, and I found that neither of them were sensitive enough to use at all. On several occasions, I was able to aim my bow, and my aim would be so off that I would hit nothing and then I'd have to restart the action. I also found that even though the controls are sensitive enough to control my weapons and move the character, there are many times where the game is too unresponsive, and 520fdb1ae7
