GrammarVerbsSer/EstarSer/Estar - Exercises Grammar Tenses Indicative Tenses Tenses Tenses Subjunctive Verb Conjugation Of Nounities Adverbs Prepositions Offer Structure vocabulary Numbers, Dates and Times Connections Tangled Words Spanish Idioms Thematic Vocabulary Calendar Welcome to our Grammar lesson and ser, and For this reason, one of the problems for Spanish students is learning to choose between ser and estar depending on the offer. In this lesson, we learn the typical cases where we use ser and typical cases where we use estar to provide examples. At the end you will find quizzes and exercises to practice. Conjugate ser and estar is now tense Before we explain the difference between ser and estar, let's consider the conjugation of these verbs now tense: serestar yosoyestoy Teresest's nosotrossomosestamos vosotrosetois's ellossonest think of ser, verb as for permanent things (things that don't change). This idea is a good start, but it doesn't always work. A Spanish student should learn the most common use of sulphur, one by one. There is a trick to remember about the use of ser: Their initials make the word DOCTOR. Date of occupation Characteristic time of Origin Relationship Let's look at examples of each case. Date: Hoy es lwa de Abril. Today is April 15. Magnana es mi kumplianos. Tomorrow is my birthday. Mi hermano es arquitecto profession. My brother is an architect. Maria and Laura are the son of artists. Maria and Laura are artists. Note: For professions, we do not use any article after ser. We do not say my brother is an architect, just my brother is an architect: The characteristics are usually permanent, not temporary. Tu Sofe es Rojo. Your couch is red. Los Espanyoles son simplicos. Spaniards are good people. Time of day Son las nuev de la Magnana. It's 9 a.m. Es de la tarde. It's 1pm Origin I say where someone (or something) from: Nuestro profesor es de Colombia. Our teacher from Colombia. Mi amigo y yo somos friend and I'm Americans. Relationship relations between people and / or things: Juan y Maria son novios. Juan and Maria are a couple. Ese ordenador es de Ana. That computer belongs to Ana. Using estar in general, think of estar as a verb for temporary things (things that change) as well as for location. But then again, this idea is not 100% accurate in each case. A Spanish student should learn the most common use of estar, one by one. Trick to use estar: Their initials make the word PLACE: Position Location State of Emotion Let's read an example of each case's sentence: Position, Location Telling, Where Someone or Something Is, as well as his position. We use estar, even if the location is permanent: El alumno est de pie. The student got up. Estamos Sentados. We're sitting. La Telequizion este sobre la Mesa. The TV is on the table. Madrid is located in the centre of Spain. (location, so we use estar, even if it is permanent) Action Combination of estar with Gerundio given verb, we form tensely called the present progressive to express what is happening: Estoy estudiando para el examen. I'm going to the test. Are you guys playing? The state of the state is usually temporary rather than permanent: La radio este rota. The radio is broken. Esta enfermo. I'm sick. Emotions Just like The Condition, Emotion is also temporary: Estoy muy contento. I am very happy/satisfied (at the moment). Alejandro Este enfadado con sus amigos. Alejandro is angry with his friends.
