Looking for instrumental wedding songs? There are so many wonderful stripped-down versions to fall in love with—and they are especially perfect for weddings because they blend seamlessly into the background, letting the bride and groom take center stage. From contemporary hits to rock classics and country jams, you'll surely find instrumental editions that you'll love among our top tips. You'll hear the Vitamin String Quartet's wonderful acoustic edition of popular tunes that would be great for first dance, accompanying, and receiving, respectively. We can't forget the dramatic, practically weeping cello of 2Cellos, and the chemistry-laden duets of the Brooklyn Duo. Other artists are doing just as amazing work in making pop music into beautiful instrumental. All of these, and other songs you'll hear, are well worth considering for your walk down the aisle or wedding reception playlist. Below we curated a list of 100 of the best instrumental wedding songs to walk down the aisle. 01. of 100 Why We Love It: String Ensemble Performance of Feist's Indie Pop Song 02. of 100 Why We Love It: A Deeply Touching Instrumental Arrangement Lends an Organic Feel to Every Ceremony.
