Throughout the game, you will play as two survivors of an apocalyptic plague. Help them achieve the unimaginable of building a rocket, so that they can return the deceased to their cosmic homeland through the ancient tradition of space burials.= FEATURES=“STORY An emotionally driven and warm adventure written by IMGA's nominated writer of OPUS: The Day We Found Earth. Explore an atmospheric world full of mysteries and rich storytelling.” EXPLORE Travel through a post-apocalyptic winter filled with ruins and remnants of a once prosperous land. Explore the unknown for antiques and artifacts, and find out about your past.* BUILD Prepare for the countdown by collecting the materials needed to build a rocket, and craft tools that will help you reach larger distances.* ART More than 100 items to find and inspect, each beautifully drawn with a matching history, including rocket material supported by careful research on rocket science.* MUSIC More than 30 beautiful landscapes atmospheric designed to dive into the snow desert Composed and recorded by indiePlay nominated composer Triodust.* Although the first act is completely free for you to explore. You will need to buy and unlock the full version of the game in order to progress through the rest of the story. Introducing OPUS: Rocket of Whispers for Android is a fascinating adventure game inspired by the apocalypse rooted in a deadly plague. You will live the life of young witch Fei and engineer John. Your main mission is to build a space shuttle to get out of Earth and create a new life in space. Building a space shuttle to leave Earth in OPUS: Whispers Gameplay rocket in OPUS: Whisper rocket is simple: it moves your character through each scene while interacting with different elements. Pay attention because in the process, you can detect some elements needed to build missiles. You'll experience the life of young witch Fei and engineer John The main attraction in the simulation game OPUS: Rocket of Whispers Android is not only the game, but also the unique story, that is, accompanied by a cast of carefully selected personality and soundtrack characters, making it The adventures of John and Fei become more intriguing. Stepping on an emotional adventure in a great story Featured features of OPUS: Whispering Rocket for Android Convincing Storyline Enters the Emotional Adventure in a Wonderful Story Written by the IMGA Award-nominated writer - author of OPUS: The Day We Found Earth. Explore a post-ao world filled with the ruins and remnants of a prosperous land. Find the unknown about artworks and learn about their past. Collect the materials needed to build rockets Collect the necessary materials, build rockets so that two people can bring late people to their home country of space through the ancient funeral tradition in space. Time.
