

Come Celebrate

Fall Festivals

At One In Messiah Fellowship

- YHWH's Feast Days as described in Leviticus 23, contain profound spiritual and prophetic meaning.
- Jesus (Yeshua) kept the Feasts when he walked the earth.
- The Feasts point to Jesus (Yeshua) and celebrating can be life changing.
- The Feasts are not just for people of Jewish birth and heritage. They are the Feasts of YHWH (Yahua) for all people.
- The Feasts will be celebrated in the Millennial reign of Yeshua.
