Program Highlights

24/7 SUPPORT

Intelligent in-bed toileting care system provides continuous support—day and night.

DIGNITY & COMFORT

Enables a cleaner, more comfortable life with greater dignity and independence.

REDUCED CAREGIVER BURDEN

Less physical strain, fewer nighttime disruptions, and lower stress for caregivers and families.

How Carebidet Care Helps

FOR THE CLIENT

24/7 toileting care and hygiene at the touch of a button. Greater dignity, comfort, and independence.

FOR CAREGIVERS

Less physical strain and repetitive lifting. Reduced nighttime disruptions and stress.

CLINICAL BENEFITS

Reduces incontinence-associated dermatitis (IAD), lower risk of pressure injuries and skin breakdown. Supports infection prevention.

FOR FAMILIES

More affordable than traditional extended-hour care. Predictable monthly cost. Peace of mind knowing loved ones are cared for 24/7.

The Difference It Makes

	TRADITIONAL CARE (EXAMPLE)	CAREBIDET CARE PROGRAM
Care Hours per Day	8 hours	4 hours
Toileting Support	Only during caregiver scheduled hours	24/7 with Carebidet
Hourly Rate	\$34 per hour	—
Weekly Cost	\$1,904 per week (8 hr/day x \$34/hr x 7 days)	\$1,150 per week

Save \$3,640 every month while providing 24/7 toileting care and greater peace of mind.

More care. Lower cost. Greater dignity. Always.

⊗ Additional caregiver hours are available at a preferred rate of \$32 per hour.
