

THE FILIPINOS

by: **GABRIEL RILEY NG CHENG**

Filipinos are strong and courageous

They can survive any virus

No matter if it's very contagious

Filipinos stand strong

No matter the disasters Filipinos face

Filipinos won't give up and hide

Even if it comes from space

The aliens would be fried

It doesn't matter if it's a flood

Or if the days are scorching hot

People with Filipino blood

Will still be thriving a lot

From deadly viruses to natural disasters

We are resilient and persistent

Nothing will bear us down

For we rise above any obstacle
