Commission rules on orders from CIS countries (Russia, Armenia, Azerbaijan, Belarus, Kazakhstan, Kyrgyzstan, Moldova, Tajikistan, Turkmenistan, Uzbekistan). 1. The Commission does not depend on the product category. Commissions are set by AliExpress sellers for each item. Rates range from 0.4% to 6.9%. 2. No commission is paid for non-ablative products for orders from CIS countries. Hot Products: The tool already has over 230,000 products, and this number continues to grow. Each product in Hot Products has its own affiliate link, which you have to place in your advertising space. If a user follows a link and buys this particular product, they will receive a large reward. You can find hot food feed here. Please note that the attribution rule for hot foods has been changed. You can find a new attribution rule for hot foods here. For more information about The Hot Products tool, see recommendations on how to link to affiliate products: Use the main AliExpress WW affiliate link in your account. The main affiliate link leads to the AliExpress homepage ([best.aliexpress.com](http://best.aliexpress.com)), which contains only affiliated products. If you promote certain products, you can check if the products are related to link Checker in your Admit account. You have to create a deep link to the product page you want and insert it into Link Checker. If the product is not connected, you will see a warning. You can also use our API to test your product's affiliation. This check consists of two steps: the user checks a direct link to the product. The affiliate should create an affiliate link from a direct link via Deep Link Builder: Check the affiliate link using the link verification method. If the link results in an affiliate product, the API will return the Link response valid. If the link results in a non-duplicate product, the API will return the Attention response! This product is not affiliated with. You can also use links from the source of the product. Product channels only include affiliated products. Note that AliExpress strategies and/or rules have been adjusted for all browser add-ons, extensions, or other similar forms: A list of prohibited keywords for contextual advertising. Download The Guide - How to Earn with AliExpress Useful Tools Support Bot for Telegram: this is a bot for Telegram that will help you receive and check affiliate links using your phone or other device. Installation extension support: This extension to create and coupons directly on the advertiser's website. Set general rules: Please note the following rules. If you break these rules, you may be blocked from working with the program. Aliexpress Global Affiliate Program Rules All virtual products covered by special categories, travel services and coupons or books for local Russian customers are not affiliated products and are not paid for. Such virtual products include, but as noted, gift cards and coupons, as well as a refund for gift cards. Partners should not participate in any of the following behaviors: Use any form of resource sharing (for example, use any reward or benefit to encourage visitors to do certain things) for advertising. Require visitors to the Advertising Channel (regardless of whether such visitors intend to do so) to register, purchase or use any products or services of the Members when visitors click on the ad party; Use programs, scripts, or other ways to directly or indirectly create any abnormal view, click, or request ads; Use any method of bad faith, malicious or inappropriate, including, but not including, but not several tools, the use of viruses, fictitious web pages, hijacked browsers or URLs, hijacking of the front page of the International AliExpress.com Platform, altering the information or content of registered members of the International platform AliExpress.com or site, the use of malicious overs or unauthorized software or software, the change of source codes or parameters of the ALIEXPRESS.COM or AliExpress.com For advertising. Use any exaggerated, false or misleading information or content when posting ads or links (for example, use buy one and get it for free to advertise any campaign page AliExpress.com International Platform) on your ad channels to encourage visitors to click on ads; Participation in any illegal activity; Participation in any activity that causes any harm or liability to AliExpress, its affiliates or the International AliExpress.com; Participation in basic or new basic ads in any form Participation in search engine optimization (SEO) or search engine marketing (SEM) campaign using any alibaba group brand, including, but not too much, that you or your partners are shopping on the AliExpress International Platform on designation links, so that you or your partner can get commissions through the AliExpress Affiliate Network program; Use any incentive as an advertising bait for any campaign/ad page of the international AliExpress platform. Please note that the cookie has a lifespan of three days. If the Aliexpress WW partner program detects a violation by the editor when buying AliExpress brand words in any search engine optimization (SEO) or search engine marketing (SEM) (campaigns, that use any brand Alibaba Group: alibaba.com, Alibaba Group, Taobao, Tmall, Tmall Global, AliExpress, Alimama, AliCloud, Aliyun, eTao, Juhuasuan, etc.); Participation in dishonest or fraudulent transactions, either on your own or with your partners (including, but not all the time, friends, relatives, colleagues, etc.), on the Platform AliExpress or the site. Examples include, but not too much, that you or your partners are shopping on the AliExpress International Platform on designation links, so that you or your partner can get commissions through the AliExpress Affiliate Network program; Use any incentive as an advertising bait for any campaign/ad page of the international AliExpress platform. Please note that the cookie has a lifespan of three days. If the Aliexpress WW partner program detects a violation by the editor when buying AliExpress brand words in any search engine optimization (SEO) or search engine marketing (SEM) (campaigns, that use any brand Alibaba Group: alibaba.com, Alibaba Group, Taobao, Tmall, Tmall Global, AliExpress, Alimama, AliCloud, Aliyun, eTao, Juhuasuan or any similar, including those written with a mistake), will block you from working with the program and the commission will not be paid. Pop Up, Pop Under, Click Under and other types of aggressive/PPV traffic are prohibited. They can only be used with prelanders where the user must take steps to access the aliexpress.com website. Please note that AliExpress strategies and/or rules will be adjusted for all add-ons, extensions or other similar browser forms: for all countries (except Russia and CIS countries), from June 8, all add-ons, extensions or other similar browser forms that make changes or interfere with AliExpress Platform web pages or provide instructions to visitors on the AliExpress platform site, which includes, without limitation, in the form of pop-ups. Only notifications are allowed in the add-on icon (see photo). Please note that filling in cookies is also prohibited. For Russia and CIS countries: From June 8, not all add-ons, extensions or other similar forms of browsers that make changes or interfere with AliExpress Platform web pages or provide instructions to visitors to the site of the AliExpress platform will be allowed, including, without restrictions, in the form of pop-ups, pushes, notifications. Only notifications are allowed in the add-on icon (see photo). Please note that cookies are also not allowed to be filled. From July 6, all add-ons, add-ons, and browser extensions will be banned, regardless of where or how such browser extensions are displayed. In accordance with the rules of The Aliexpress Affiliate Program, it is strictly prohibited money on orders by means of refunds or through any fraud. Any publisher who posts such information in their advertising space will be immediately removed from the program, all their actions will be rejected in the system and they will not have the right to continue working with the campaign. The advertiser can also withdraw the amount of the commission that has already been paid from the publisher's balance sheet. From 2018, orders that have been returned by the user will not be paid for any reason. If the publisher has already withdrawn the commission for this order, the advertiser reserves the right to deduct this amount from its balance. If the returned order has not yet been approved, the order will be rejected and the reason for the return will be specified in the comment. Please note that the advertiser has the right to deduct the commission paid for fraudulent orders, including orders that were previously approved; this is called the anti-spam deduction in the balance history of your account. If the infringement order has not yet been approved, the order will be rejected and the type of violation will be specified in the commentary. Types of violations: tráfico\_anormal, orden\_anormal (includes risks of malicious refund, coupon fraud, stolen card), PPC\_violation, SID\_black\_list, risk (fraudulent order, this status adds all of the above types of violations). Please note that it is strictly forbidden to promote hidden Aliexpress products. If such orders are promoted, you may be blocked from Aliexpress shares without paying a commission. Please note that Aliexpress does not work with lost orders. The maximum fee for the order paid is \$38. Since the Aliexpress Affiliate Program offers the best terms of cooperation, all you have to do is follow the rules carefully and ensure quality traffic. The traffic you provide will be measured based on conversion rate and sales volumes, as well as the number of new customers generated by your traffic source. From January 18, 2019, if product references are invalid references to the product and/or are offered by vendors that do not be included in the Aliexpress affiliate program, Aliexpress can redirect the user who clicks on the invalid product link to the product on the basis of similarities between the products. Traffic Critical: 1) CR should be 0.3% if there are more than 5,000 clicks per day; 2) The minimum number of shares should be 0 if there are more than 1000 clicks per day. Please note that publishers should not use links to AliExpress mobile apps to create deep partnerships. We cannot guarantee a proper follow-up in this case.
