Monitor for leaks to help
prevent higher bills

It's fast and easy! Here's how:

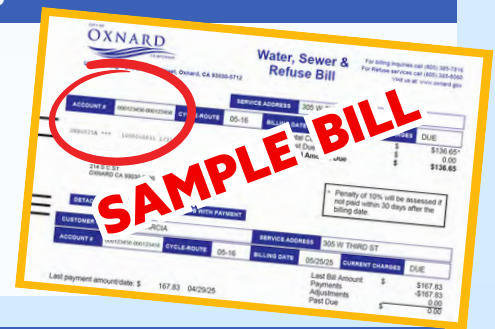

1

Know the Account Number & Zip Code of your Service Address

Locate your account number at the top left corner of your Oxnard Water, Sewer & Refuse Bill. Your account number has two sets of numbers.

Note: Disregard any zeros in front of each set of numbers. The first set is 6 digits. The second set is 2 to 6 digits.

Example Account #: ~~00~~123456-~~00~~123456
