I teach financial management and strategic financial management for chartered accounting, cost and accounting management and company secretary students in Ernakulam, India. I also hold a post-degree in business administration in finance from Symbiosis, Pune and a Bachelor in Commerce, from Loyola College, Chennai. I worked at the State Bank of India as an Assistant Vice President - Credit for four years, after which I started my charter accounting practice. While working at the State Bank of India, I worked on the credit offers of medium-sized corporate units and gained good experience in financial analysis, risk assessment, viability studies, business model evaluation, project finance, capital management, etc. I run stores for entrepreneurs, chartered accounting/costs and student accounting management on topics such as project financing, credit risk assessment, business development, finance for the non-financial executive branch, etc. I love teaching and I want the basics of accounting and finance to reach students and that's why I'm here. In here.
