

Paul on the Run MCCARTNEY TRIBUTE

A Definitive Odyssey through a Legendary Career

For over 25 years as a founding member of the Emmy® Award-winning **The Fab Four—The Ultimate Tribute**, Ardy Sarraf has defined the gold standard of the Paul McCartney experience. A true musical method actor, Sarraf masterfully delivers the signature vocals, left-handed bass lines, and warmth that defines Macca—captivating audiences from the Hollywood Bowl to Liverpool. Now, he presents an electrifying journey through 60+ years of solo hits, Wings classics, and Beatles anthems. Sarraf's unmatched precision has earned him roles providing motion-capture for **The Beatles: Rock Band** video game, soundtrack vocals for CBS's **The Linda McCartney Story**, and praise from national media and rock royalty alike:

“Ardy makes a most convincing and entertaining Macca, bringing a sense of artistry well beyond the usual tribute.”
