V1, V2 and V3 When learning English, you must first know the meaning of certain words, and then sort the words accordingly in accordance with the grammatical rules. The verbs in the normal structure can be converted by a simple rule, while in irregular verbs, this situation is slightly different. This can be a good start to do some memorization and learn how to use verbs in the right places. There are regular verbs in English, as well as irregular verbs. In simple Past Tense and Past Participle forms, most verbs have suffixes -d, -ed and ied, while some verbs do not follow this rule. These verbs, which do not follow this rule and whose past times are completely different from others, are called irregular verbs. Irregular verbs are used in the form of verb 2 and verb 3, past participation, depending on the situation and time of use. Now let's look at the situation and how to use these verbs together. Where is the second form of irregular verbs used? Simple past tense sentences should be set by verb 2. In Past Tense sentences, irregular verbs must match the following pattern: Theme No Verb 2 - Examples of Objects: I rode the bus last night. I slept at 12 o'clock yesterday.
