## About us:

ACF Therapy Associates offers low cost Individual Counseling, Family Counseling, Couples Counseling, Addiction Counseling, and Counseling and Therapy Services in Melbourne, Florida.

Our non-profit agency was founded in 2014 by Earl Ledford, LCSW, with a vision of helping students and interns grow their private practice, while offering affordable services to those in the community.

We have continued to expand since then, and increase awareness of the importance of mental health care. We currently have a team of Licensed Mental Health Counselors, Licensed Clinical Social Workers, Registered Mental Health Counselor Interns, Social Work Interns, and Master's level students completing their schooling and internship requirements.

- Reduced fee services are offered to those who meet established income guidelines. Each of our associates has an area of expertise in therapy and mental health counseling. We also offer groups for teens and adults.
- Counseling and therapy services are available for children and adults, couples, and families in the following areas: pre-marital, maternal mental health, pornography addiction, depression, anxiety, grief, trauma, self-harm, addictions, life coaching, EMDR, chronic illness/pain, play therapy, LGBT, and many more.
- Spanish speaking team members. Day and evening hours available.

Our offices are conveniently located in the Boulevard Professional Center, 1600 West Eau Gallie Boulevard, Suite 201 U, next to Eau Gallie High School. Our office telephone number is (321) 514-4668.
