This game contains heroes like lords, demons, uigine tribes and many more. These heroes are completely different from each other that can be in their characters, fighting styles, or roles. You can choose any of them based on your strategy. You can choose all the heroes by increasing the gachas. This will help you easily select the characters of your choice. You can earn a lot of money using gachas during the completion of the tasks. How to play Shadow Raid Legends? Champions are very important in this game called Shadow Legend Raid, as u choose the best set of characters you can face against your opponents. At first, you start with two champions but you can get more characters using shrapnel on the portal. The story of the game takes place in the fictional kingdom of Telleria, which was dominated by the Dark Lord Sirota. Actors play the role of an ancient Tellarian warrior rescued from the dead to defeat lord of the dark Siroth and restore peace and harmony Players should form an army in settings such as castles, dungeons, temples, and deserts which are defeated by possible enemies and people. In this game, fragments and portal come in four different characteristics. Another currency in the game is money, which the player can use in that currency for peeling up and accumulating characters. Earn shrapnel in this game varies for champions, dungeons, and many more. Each game rewards winners with specific types of shrapnel. Read more: Traffic Racer Mod Apk [Unlimited Money and Full Locked] v1.71 Types of Champion: There are four different types of champions in this game and it's very important to keep different types of champion types in the game. Here are some of the four different types of attacking champion: these are damage dealers. Although defending and supporting the champions develop a respectable damage deal, it is necessary for the offensive champion to successfully play the game. Defense: Champions with a hard defense trick to kill and are promised to disrupt the enemy army. These champions protect your team by providing protection. Health point: Health spot champions are known for their meatyness. They have great physical stamina and they often possess valuable secondary skills too. Support: These champions will be marked by supportive abilities like healing, friendly enthusiasts, and many more. They can't support the main damage dealers or tanks.
