Discover the Secret to Attracting What You Desire, with a 4.5-star rating and over 7710 reviews! This avant-garde recording presents the teachings of non-physical entity Abraham, exploring the use of deliberate intention in achieving your desires in life while maintaining balance and living the Art of allowing along your journey. Note that acknowledging the importance of balancing your energy is more significant than setting goals or remaining centered on ultimate desires. As you understand and effectively practice the method presented here, not only will you achieve your desired outcomes faster, but you'll also appreciate each step of the journey before manifestation. You'll discover that living life is a perpetual joy-filled voyage rather than a series of arid incantations between occasional temporary moments of satisfaction. ©1987 / 2008 / 2008 Esther & Jerry Hicks / AdA AUDIO - SGNT média inc. / Louis Lachance for the music by Ailia (P)2008 Kampus Media Personal Success What Audiences Say About The Law of Attraction Average User Rating: 4.5 out of 5 stars Interpretation: 4.5 out of 5 stars History: 4.5 out of 5 stars A super listen! Now, it's just a matter of applying all this and observing changes in your daily life for a prosperous future. Highly recommended to anyone seeking their personal legend in life. A powerful book that I consider the most remarkable by the Hicks. With an exceptional narrator who knows how to find the right rhythm to render the message clear, it's a joy to listen to Vincent Davy! All is said. This is a source book. Very pleasant to read, enriching, and motivating. I'm looking forward to mastering all this... A must-read and re-read. - Alexandre Milot Le livre est un guide pour atteindre la vérité de l'univers, expliquant que les lois énoncées sont universelles. Après avoir écouté le livre, je peux confirmer qu'il s'agit d'une expérience personnelle et que cela peut changer votre vie.
