## Operations management stevenson 12th

Operations Management, 12/eWilliam J. Stevenson, Rochester Institute of Technology: 0078024102Copy Year: 2015 (57.0K)Click on the logo above to learn more about Connect operations management. McGraw-Hill Connect Operations Management is a web platform for assignments and evaluation that gives students the tools to better connect with their coursework, their teachers, and the important concepts they need to know to succeed now and in the future. With Connect Operations Management, instructors can easily deliver tasks, quizzes, and tests online. Students may be given the opportunity to practice important skills at their own pace and on their own schedule. With Connect Plus Operations Management, students also get 24/7 online access to an e-book - an online text edition - to help them successfully complete their work where and when they choose. Please contact your professor to see if they plan to use Connect. You can purchase access to Connect from your professor's Connect website. Page 2Perative Management, 12/eWilliam J.
